West Mobile County Park Announces summer 2015 Sporting Program

Everything old is new again, especially if you're an adult and can recall playing countless hours of kickball on the playground. Well, your chance to relive your glory days is here. The West Mobile County Park will launch its summer 2015 Kickball Program on July 6.

"This sport does not require a lot of outstanding athletic talent, it's great for exercise, meeting new friends, being active and having lots of fun," said Terri Mosley, Park Operation Coordinator for West Mobile County Park. She added "Once you play you will absolutely love playing."

The park is currently allowing teams to register. The squad can consist of a total of 10 players on the field and up to 20 players on the roster and anyone age 16 or older is welcome to play.

Softball leagues for men, ladies, co-ed and church teams will also be offered in the summer.

Players for both sports will have the luxury of playing on lighted fields. Other amenities at the park include picnic tables, a small playground, restrooms and concession areas.

The team registration fee is \$210 for each sporting program. The deadline to register is June 27. For more information, contact West Mobile County Park at (251) 574-7275.
